Welcome to the Nursing Current Awareness for July

The majority of the articles listed can be found in the MAG Online Library. To Access the articles, click on ‘sign in’ at the top right of the screen and then select ‘sign in with OpenAthens’. If you do not already have an OpenAthens account, register here.

Once you are signed in, just click the title of the journal you wish to access. To make it easier for you, as we list the articles, the name of the journal will appear first before the title of the article. If no Journal is listed, the article is available online via your OpenAthens password.

Please contact Beverley Walsh if you would like to request or are having difficulty accessing any of these articles. Email beverley.walsh1@nhs.net or phone: (01284) 713112
