CPD: HOW WE CAN HELP

CPD Launchpad is the brand new resource that helps nurses and midwives to achieve their CPD requirements and prepare for revalidation.

Drawing on an extensive archive of peer-reviewed professional articles from MA Healthcare’s specialist nursing and midwifery journals, CPD Launchpad offers an ever-growing range of content that tests your knowledge and helps you reflect on your practice.

WHY YOU SHOULD REGISTER:

EXCLUSIVE CPD CONTENT
A wide array of specialist, peer-reviewed content to help you fulfil your CPD requirements

REFLECTIVE PRACTICE
Guidance through the process of reflecting on your practice, supporting you to learn from your professional experience

TEST YOUR KNOWLEDGE
Self-directed learning exercises so you can test your clinical and professional knowledge in every area of practice

PERSONALISED PORTFOLIO
Build your own personalised portfolio to record your CPD activity and securely store your revalidation documents

FURTHER CPD SUPPORT

Reading our journals
Professional journals keep you up-to-date with current thinking, best practice, and relevant research. By reflecting on your reading with colleagues, you are progressing your CPD.
