

Memorandum of Understanding/ Concordat between Library, Knowledge and Information Services within the Norfolk & Suffolk Workforce Partnership

The key outcomes for this agreement are:

To support partnership working between Norfolk Healthcare Libraries, Suffolk Healthcare Libraries, Norfolk Library & Information Service Public Libraries, Public Health, Higher and Further Education Library Services across Norfolk and Suffolk.

Members:

- Frank Curtis Library - Norfolk & Suffolk NHS Foundation Trust
- The Library - Queen Elizabeth Hospital King's Lynn NHS Foundation Trust
- Sir James Paget Library - James Paget University Hospitals NHS Foundation Trust
- Sir Thomas Browne Library - Norfolk & Norwich University Hospital NHS Foundation Trust
- West Suffolk Hospital, Library and Information Centre - West Suffolk NHS Foundation Trust
- Ipswich Hospital Library and Learning Resources - Ipswich Hospital
- Norfolk Library & Information Service Public Libraries
- Library and Learning Services, East Coast College
- University Of Suffolk
- North and East London Commissioning Support Unit
- College of West Anglia
- Suffolk Libraries

To achieve these key outcomes all participating Library, Knowledge and Information Services within the Norfolk & Suffolk Workforce Partnership will:

- Work in partnership with other organisations and agencies across the local health community to modernise and develop services to meet customer needs; expectations and choice
- Champion our respective Library and Information services and promote each other's resources where applicable & appropriate in order to support development of basic information literacy and digital literacy skills
- Focus on areas that will deliver clear tangible benefits for users of library and knowledge management services.

- Support and promote access to library, knowledge and information resources and services, developing information and searching skills, facilitating dialogue between healthcare providers and education providers and addressing access and quality issues related to health libraries provision in Norfolk and Suffolk.
- Participate and work together on key health related initiatives/literacy campaigns where applicable ie. Dementia Awareness Week, Health Prescription Scheme, Palliative care Awareness week etc.
